Dear Mr. Ricciardi:

Congratulations! Your company has been selected as a winner in the Deloitte & Touche Technology Fast 50 program. Your company's growth is an outstanding accomplishment and you should be proud of this admirable distinction. As a result of this, your company will also be automatically considered for the National Technology Fast 500, which honors the 500 fastest growing North American technology companies.

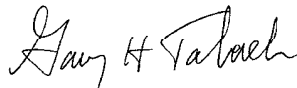

It is an honor to be selected, and we commend the vision, dedication and sheer effort it has taken for your company to achieve this recognition. Deloitte & Touche, along with the other sponsors of the Technology Fast 50, will recognize you and your fellow Virginia technology companies at an awards and private cocktail reception on October 29, 2001. As part of the Technology Fast 50 program we conduct a survey of all the CEOs whose companies made the list. We will contact you either through a phone call or email asking for your participation.

The winners will also be recognized in the November issue of Washington Business Forward magazine. We understand that in accordance with your own public relations strategies, you may be looking for advice on how to leverage the Technology Fast 50 recognition. Enclosed is our Public Relations Media Kit for your review.

You will be receiving a formal invitation in the mail, but please mark your calendar now for this exciting event. If you have any questions please do not hesitate to get in touch with our Technology Fast 50 contact Yasmine Foroud at (703) 251-1988 or email her at tfast@deloitte.com

Again, congratulations and we look forward to seeing you during the Technology Fast 50 season!

Sincerely,

Gary H. Tabach
