Dear Mr. Ricciardi:

Congratulations! Your company has been selected as a winner in the Virginia Deloitte & Touche Technology Fast 50 program. Your company's growth is an outstanding accomplishment and you should be proud of this admirable distinction. As a result of this, your company will also be automatically considered for the National Technology Fast 500, which honors the 500 fastest growing North American technology companies.

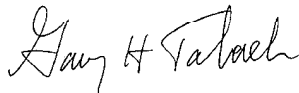

It is an honor to be selected, and we commend the vision, dedication and sheer effort it has taken for your company to achieve this recognition. Deloitte & Touche, along with the other sponsors of the Technology Fast 50, will recognize you and your fellow Virginia technology companies at an awards and exclusive cocktail reception at the Atrium at Meadowlark Botanical Gardens in Vienna, Virginia on October 10, 2002.

The winners will also be recognized in the mid October editions of the Washington Business Journal and the Potomac Tech Journal. We understand that in accordance with your own public relations strategies, you may be looking for advice on how to leverage the Technology Fast 50 recognition. Please visit www.fast50.com to view our Winner Press Kit. Please note that all press releases will need to be approved by Deloitte & Touche prior to being released in the media.

You will be receiving an electronic invitation as we approach the date of the event, but please mark your calendar now for this exciting event. If you have any questions please do not hesitate to get in touch with our Technology Fast 50 contact Yasmine Foroud at (703) 251-1988 or email her at tfast@deloitte.com
