

CERTIFICATE OF APPRECIATION

IS PRESENTED TO

Ricciardi Technologies, Inc

for excellent support and service to the Joint Product Manager, Biological Detection team from August 01, 2003 through February 29, 2004. The exceptional caliber, highly qualified, resourceful and motivated quality assurance experts employed Ricciardi Technologies, Inc (RTI) have directly impacted the reliability of the bio-defense systems that are being prepared for today's warfighter. The integrity and dedication to duty of the company's employees reflect highly upon RTI, the Joint Product Manager for NBC Contamination Avoidance, and the Department of the Army.
